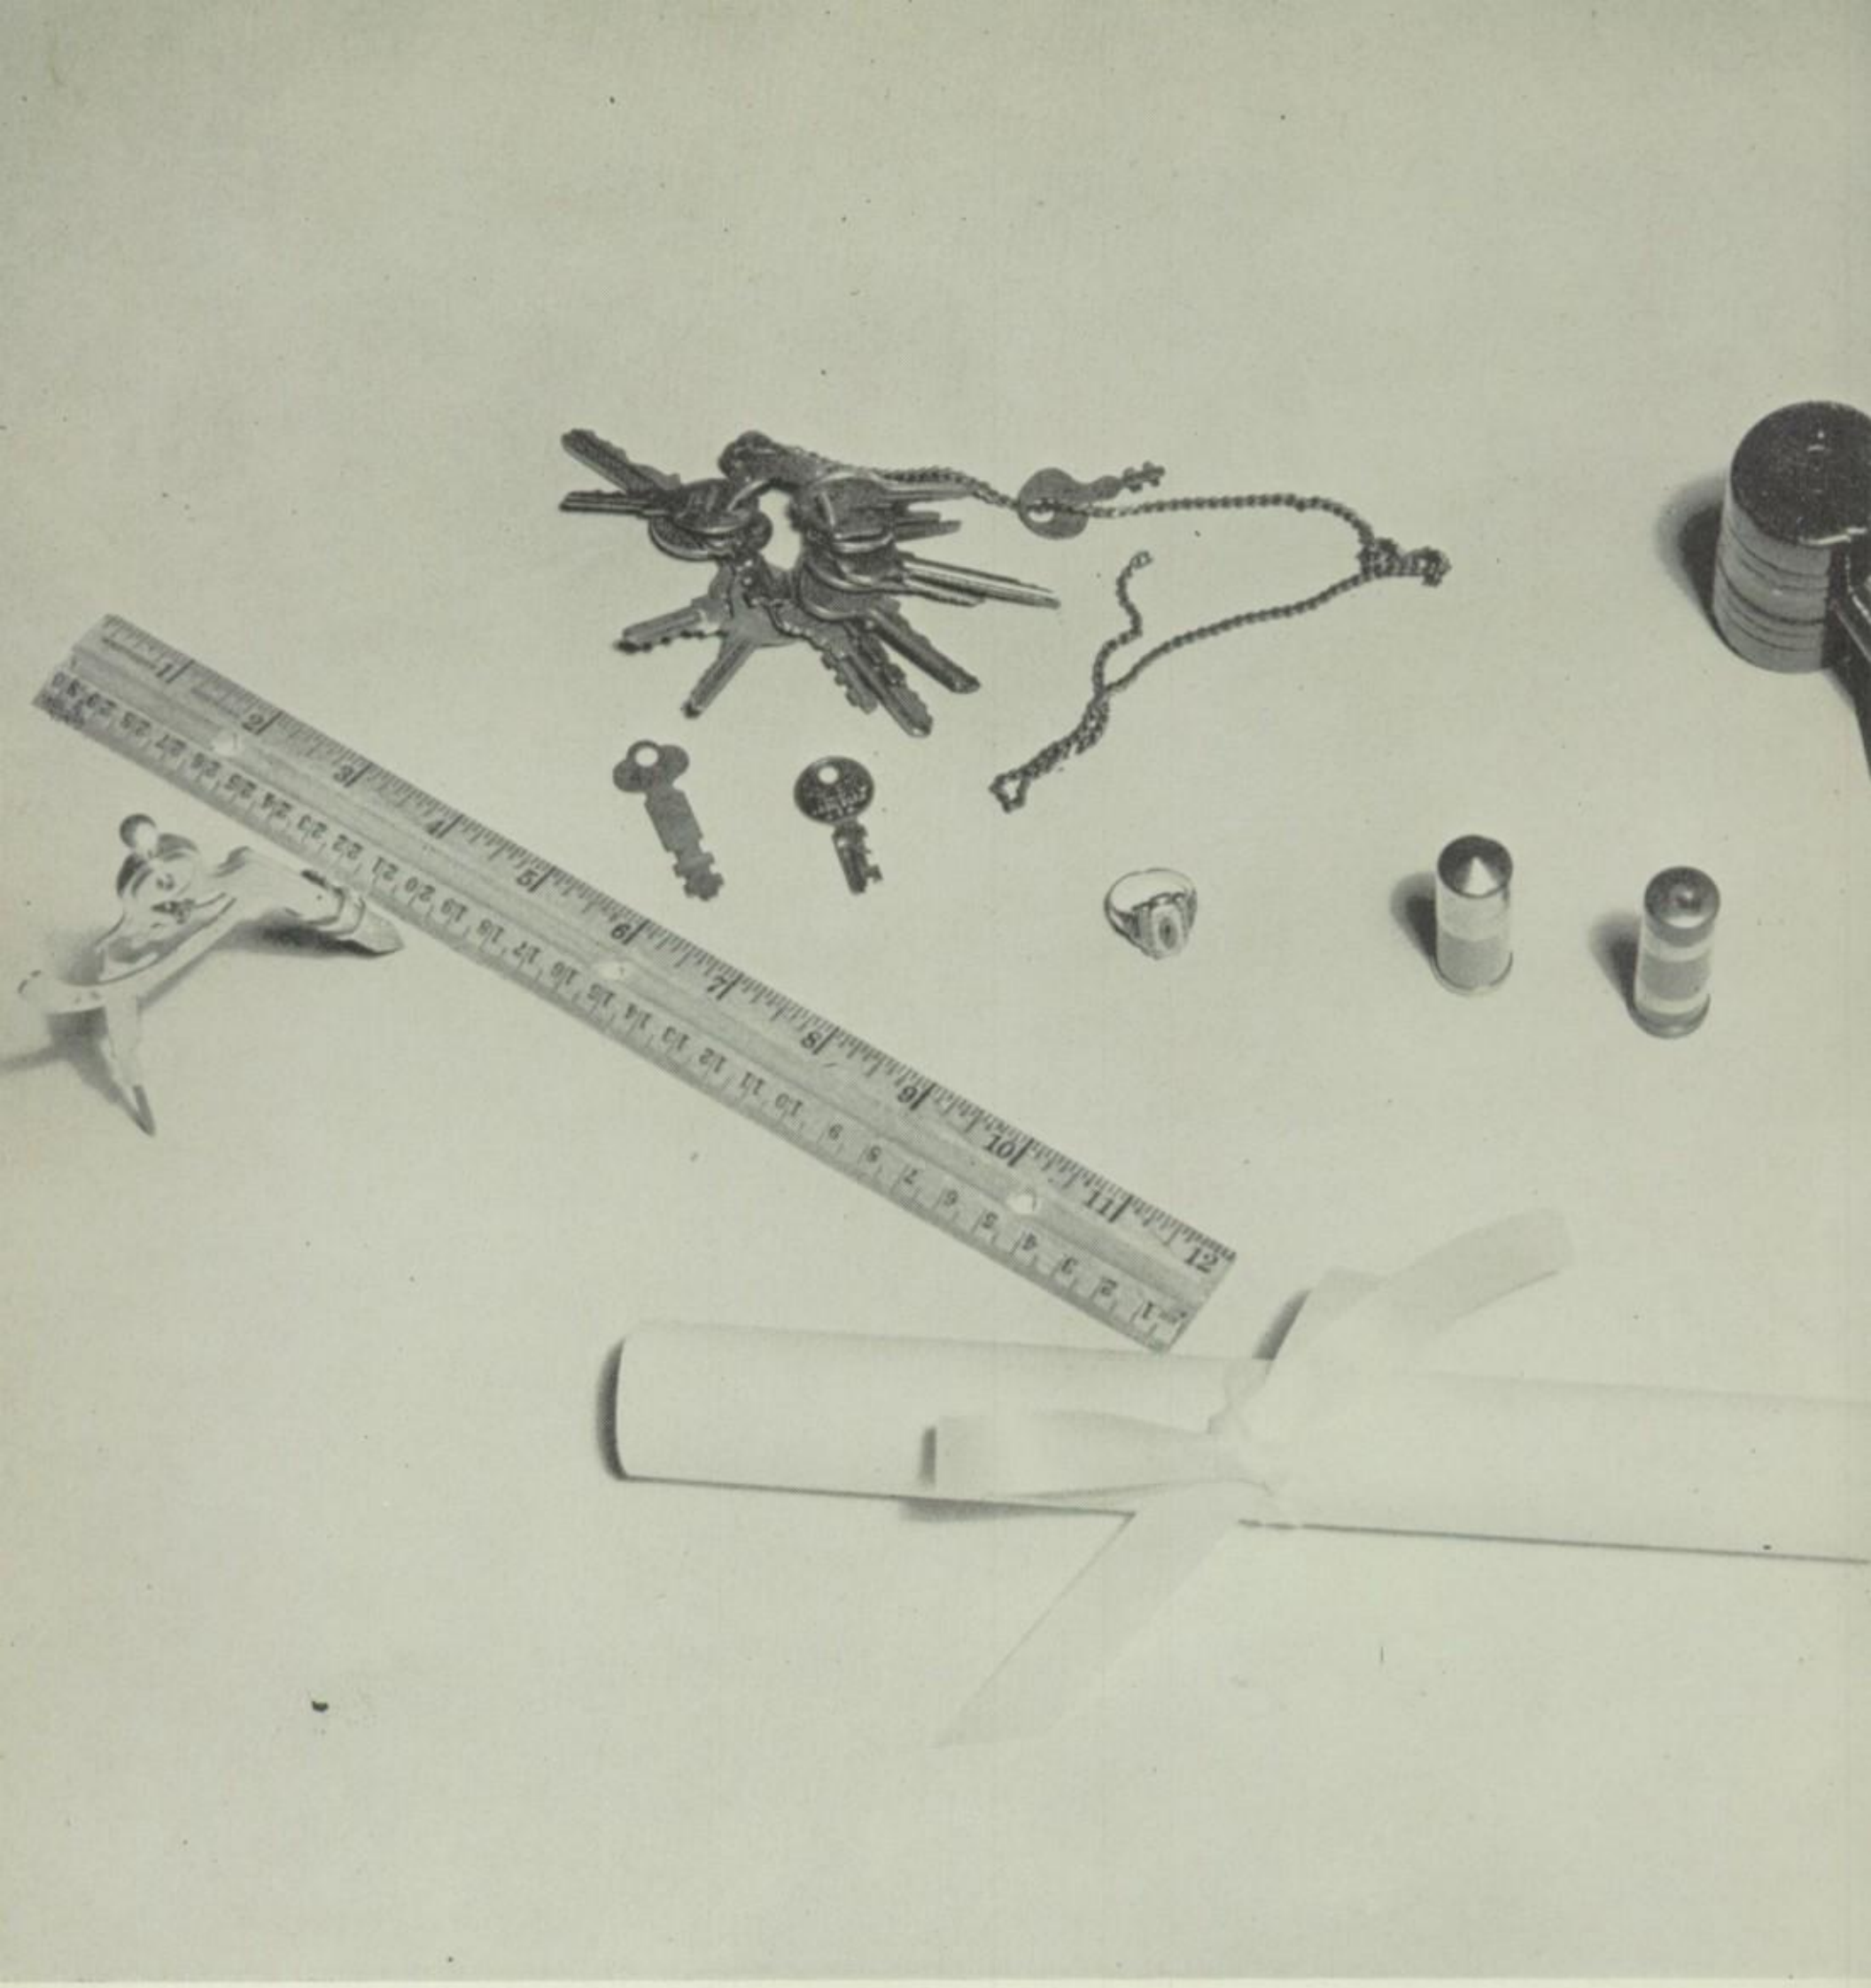
We Dedicate This Volume of El Chapitel

Foreword

The theme? . . . Not flowery . . .
Not poetic . . . No precious sayings
adorn the pages of this year's El
Chapitel . . . Instead we have chosen
the theme of our school life . . .
Who We Are . . .
and
. . . What We Do



A teacher's gradebook . . . a class ring . . . tubes of lipstick . . . All these things remind us of

Who We Are . . .

A. S. CAKEBREAD, Superintendent
Secondary Schools

We Proudly Present Our Principal

This year has been one of outstanding achievement for Mr. Cakebread.

Besides helping us along the path of education, he has stepped out from behind his desk long enough to gain recognition in civic and fraternal affairs by holding such positions as Rotary Club President, Professor of Education at Fresno State Summer School, and President of the State Principals' Association, section 6B. He was recently awarded life membership in the California State Parent Teacher Association.

This is our principal, keeper of the keys of the door of knowledge, kindler of the spark of inspiration, and custodian of the spirit of our Alma Mater.

BOARD OF TRUSTEES
Our Board of Trustees is sincerely and enthusiastically interested in us. SEATED (left to right): Mr. A. S. Cakebread, Dr. J. M. O'Donnell, president. STANDING: Mr. P. P. Schleuse, Mrs. G. Jones, Mr. J. Shields, Mr. B. J. Ahern.

. . . Our School Board, Our Counselors

VICE-PRINCIPAL

Mr. Picetti is known to all as the man with the friendly smile followed by "What's your excuse?" His helpfulness and understanding are appreciated by everyone.

Miss Messing solves our problems in school and out of school. She is our friend as well as our counselor.

We Have Arrived . . .

FIRST SEMESTER

Four years ago we arrived in these halls, pencils in hand, our faces smeared with lipstick, our clothes disheveled, and our countenances betraying the typical, bewildered feeling belonging to . . . . . freshmen.

Since then we have passed through an awkward sophomore stage, an effervescent year of juniordom, highlighted by the Junior-Senior Prom with the theme of "Rhapsody in Blue," and a blossoming senior year brimful of activities.

Our junior play, "House of the Flashing Light," and senior play "The Old Homestead," and our extracurricular activities have all been spokes in the spinning wheel of our school life.

FIRST ROW (left to right): Miss Cushman, Miss Schleuter, Miss Willard. SECOND ROW: Mr. Maiers, Mr. Grant.

We Are Departing

LESLIE DAVIS
President

SECOND SEMESTER

Now we are ready to depart; we stand upon the threshold of our door of individual life awaiting that which lies ahead.

In four short years we have advanced from gangly-legged, backward, giggling children to upright, understanding, clear thinking young men and women.

And even though the wheel turns on, and we are but products of the continuous process of education, we are glad that we have done our small part in building toward the future, and proud that we are at heart still part of our Alma Mater.

Ours is the privilege of recording for you, your school life, from the time you enter as a freshman, 'til the moment you depart as a graduate.

Here is our gift to you. It would not have been possible were it not for the combined efforts of students, faculty, staff, photographer—Mr. Bernstein, printers— Lederer, Street and Zeus Co., and engravers—California Art and Engraving Co.

We only hope that you will cherish this album as much as we have cherished compiling it.

Our activities speak for themselves on the next pages.—The Christmas Dance, Backwards Dance, Girls' League play, Sneak Day (We couldn't leave that out.) and Senior Mothers' tea.

We girls, by putting our differences aside and putting our heads together, work for the good of our Alma Mater.

MISS MASELLI

"Hymns of praise" float from out the halls of our music department as each year it takes a step toward becoming one of the best in the state.

Under the direction of Mr. Dahneke and the guiding hands of Mr. Cheek and Miss Maselli, the band, orchestra, choir, and Girls' Glee Club have distinguished themselves at district conferences, music festivals, assemblies, and club meetings.

We do our best to see that the message of music shall go . . .

"Outward, onward, o'er our mountains,
Let the echoes roll!"

Take Us Out

As our El Chapitel goes to press, we stand with a record of one league win and one loss, a situation which offers even chances for a top baseball team.
